

AL AIN RACEWAY KART CLUB [AARKC]

[HONDA CHALLENGE 2012 - 2013]

The AARKC "Honda Challenge" had its inaugural year in 2009 and is back again for the 2012 - 2013 racing season.

Scheduled as a support race at each UAE Rotax MAX Challenge round held at Al Ain Raceway, this entry level series is for drivers aged 16+ yrs and has been specifically formulated for individuals who are thinking about getting into kart racing but are not yet 100% committed to the investment required.

Using Al Ain Raceway's race-prepared Intrepid Optima chassis powered by a 13hp 4-stroke Honda engine, this evenly-matched class provides the perfect platform to discover kart racing without the accompanying expense.

Full equipment is provided as entrants compete in between the pro's with an opportunity to see how race days work and discounts are available for those who wish to book in advance for either the entire series or two weeks in advance per individual round [see "Pre-Booking Discounts"].

RACE FORMAT:

- Practice
- Heat
- Pre- Final
- Final

Note: Although the Honda Challenge is run as a series, one-off entries are welcomed for any round. Drivers must be a minimum of 16 yrs of age. Drivers must wear flat-soled sports shoes.
