

# KART STORAGE MEMBERSHIP AT AL AIN RACEWAY

## AARKC MEMBERSHIP [FOR RACE KART OWNERS]

Al Ain Raceway Kart Club membership provides access to a range of services and facilities including eligibility to compete in the national race series, the **UAE Rotax MAX Challenge**.

For drivers wanting to keep their karts onsite at Al Ain Raceway we also offer different package membership options for kart storage from “Silver” level to the “Platinum” level where our team of technicians will take care of the servicing and maintenance of your race kart before your next drive.

This annual service is popular with individuals who wish to keep their karts on site for convenience ... and is particularly useful for those limited in their mechanical knowledge.
