

ARRIVE & DRIVE SPECIAL PROMOTION

SUMMER 2012

Whether you want to race against the clock or race against a friend, our Arrive and Drive sessions cater for individuals and small groups and provide the ideal hassle-free and low budget opportunity to practice and develop your driving skills.

On arrival all drivers will sign in, change into full race gear and receive a mandatory briefing on kart controls and circuit rules by one of our instructors before taking to the circuit to test their mettle behind the wheel.

Our Senior karts are equipped with revolutionary, steering wheel-mounted information screens. Linked directly to our timing system, these displays allow competitors access to up-to-the-minute race data such as race position and current lap time, making it possible to constantly monitor your own progress on the way to challenging for the coveted lap record.

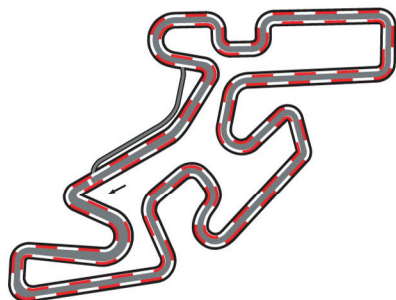

ARRIVE & DRIVE INFORMATION:

Arrive and Drive practice sessions are available for drivers of all abilities throughout the week, both afternoon and evenings, midweek and weekend.

Throughout the summer months Arrive and Drive sessions at Al Ain Raceway will be run on the premier track configuration - **the 1.6 km International Circuit**.

Multiple sessions can be booked for drivers who want more of a challenge and discounts are available for drivers who want to become a member of Al Ain Raceway.
