

JUNIOR KARTING ACTIVITIES

Supreme 'Junior' karting experiences are available at Al Ain Raceway for drivers aged from 7 to 15 years.

'Junior' karting sessions and parties are a great way to have fun and let tomorrow's driving stars shine. Put those hours spent practicing on video games to good use with the real thing in the safety of Al Ain Raceway's premier outdoor karting facility.

Safety is always paramount to us so our marshals are on hand throughout all of our karting activities to sort the little dare devils out and as with all events at Al Ain Raceway, Junior drivers will receive a safety briefing, learning about the track and how to handle the karts, before going out onto the circuit. Full safety equipment - including helmet, gloves and race suit - will also be provided at no extra cost.

NOTE:
ALL DRIVERS UNDER 16 YEARS MUST BE ACCOMPANIED BY THEIR PARENT OR LEGAL GUARDIAN. ID IS REQUIRED. DRIVERS MUST WEAR FLAT-SOLED SPORTS SHOES.
