

TEAM 90 SERIES

GENERAL T90S INFORMATION :

Al Ain Raceway is gearing up to host its first ever open endurance series: The Team 90. Running over six Rounds, the new series kicks off on Friday 20th September 2013. Teams may consist of between 1 & 3 drivers and the event will follow the typical endurance format; practice and qualifying followed by a 90 minute race.

To keep things fair, the series will run 2 classes; Clubman & Professional. The Clubman class is intended for those who are either relatively new to the sport or still going through the learning process. The Professional class however is for those with plenty of karting experience.

The T90S is set to be a winner with some great prizes available; have you got what it takes?
